Note.

Re release of prisoners on the occasion of the Installation of His Highness the Maharaja on the 8th August 1902

The Second Counsellor, with whom I went over the precedents says that an order of the kind passed in 1900 on the occasion of His Highness' Marriage will do & will meet our requirements (Vide his remarks on the Dewan's Note)

In 1900 the late Dewan directed that the draft order should be circulated to Council in the first instance by sending a copy to each Councillor, and then issued at once, as this would obviate the necessity of the lists of prisoners subsequently received from the Dist. officers being again placed before Council for sanction. Such lists were accordingly dealt with by the Secretary himself & orders passed.

Many enquiries & circulate for Monday's meeting of the Council

Please send to Council Clerk after perusal LL 9/7/02

Copies sent to the Councillors 88 9/7/02

As there are printed copies of the order issued in 1900, I have adapted the same to suit the present occasion under the instructions of the Second Councillor, who thinks that the matter may (if approved by the Dewan) be disposed of at tomorrow's Council.

I have put up herewith a sufficient number of spare copies of the proposed order, in case circulation be directed. (Previous files not submitted, as they are bulky, & I am searching for further papers in connection with them).

OFFICIAL MEMORANDUM.

No. ~~38~~ D. ~~—~~. *Dated,* ~~Camp Mysore, 14th May 1900.~~ July 8/1902

Release of Prisoners.

In honor of the approaching ~~marriage~~ of His Highness Sri Krishnaraj Wodayar Bahadur, Maharaja of Mysore, the Government propose to direct, as an act of clemency, the release, on the ~~8th~~ of ~~June 1900~~, of a certain number of convicts confined in the Prisons of the State, the selection being made in accordance with the following instructions.

2. *Short term Prisoners.*—All persons under sentence of one month's imprisonment or less who may have worked out half of their sentence on or before the ~~6th June~~, may be released on that date. This release will be granted only to well-conducted convicts, and under no circumstances to those who have been more than twice convicted or to those who have been committed to Jail as security for keeping the peace or those whose premature release is deemed to be seriously inexpedient.

3. *Other Prisoners.*—In addition to the above, 10 per cent of all prisoners under confinement are to be released on ~~6th June~~, the number being spread as evenly as possible over all localities in the State. In making the selection, the following prisoners should be excluded from consideration:—

(*a*) Those whose conduct in Jail has been bad and turbulent;

(*b*) Those whose original offences were of a kind to make them permanently dangerous to society or public order, should they be restored to liberty, and those whose release would be likely, looking to the crimes of which they were convicted, to give rise to a renewal of blood feuds &c.;

(*c*) Professional and habitual criminals and prisoners convicted more than twice.

4. The 10 per cent should be selected as far as possible from the following classes

1st. Those who have generally borne a good character but were led under a sudden impulse to commit crimes such as riot, affray, assault or culpable homicide in a moment of anger. Also women who have committed infanticide to hide their shame, and generally speaking, those whose crimes were committed under circumstances which would greatly extenuate their guilt.

2nd. Those who committed the crimes for which they are undergoing imprisonment at an early age and without the display of any special depravity, in fact, those who erred more from ignorance than from conscious wrong-doing.

3rd. Those whose crimes were of a grave character but which have been expiated to some extent by long imprisonment with good behaviour.

Note—(*a*) In making the selection, the proportion of sentence undergone to total sentence should be taken into consideration.

(*b*). Persons to be released by ordinary efflux of time on the ~~6th June~~ 8th August are not to be included in the 10 per cent.

5. In the case of short-term prisoners to be released on the ~~6th June 1900~~ 8th August 1902 under para 2 above, the submission of lists to Government before release is likely to be attended with some difficulty and will not therefore be insisted upon. A consolidated list of such prisoners released in all the lock-ups in each District and in each of the Jails at Bangalore, Mysore and Shimoga, should be submitted as early after the ~~6th June 1900~~ 8th August 1902 as may be practicable.

6. In the case of other prisoners to be released under paras 3 and 4, the Inspector General of Prisons will be good enough to cause a list to be carefully prepared in the accompanying form and to submit the same confidentially for the orders of Government on or before the 25th instant. He will further furnish at the same time to every District Magistrate an extract from the said list containing particulars of the prisoners of his District whom it is proposed to release on the ~~6th June~~ 8th August and the District Magistrate will, after careful scrutiny, submit to Government by the 31st instant any suggestions he may wish to offer on the Inspector General's recommendations. In making the selection, the Inspector General will be guided by the instructions given above, and in all doubtful cases he will (and to save time the Superintendents of the Central Jail and the Mysore and Shimoga Jails may themselves directly) seek the advice and suggestions of the Magistrate of the District or of the Courts or Magistrates by whom the prisoners concerned were convicted. The Inspector General will also simultaneously forward a copy of the list to the Registrar of the Chief Court who will place it before the Chief Judge with a view to the Government being favored on or before the 31st ~~May~~ instant with the opinion of the Chief Court as to the desirability or otherwise of the releases recommended either generally or in individual cases.

7. A copy of this memorandum will be forwarded to the Registrar of the Chief Court for the information of the Judges of the Chief Court, the Inspector* General of Prisons and the Magistrates of Districts.

*With 3 spare copies for communication to the Superintendents of Jails with necessary instructions.

8. The orders of Government sanctioning the releases recommended and prescribing the procedure to be followed in announcing and giving effect to the same, will be communicated to the offiers concerned in due time before the ~~6th June 1900~~ 8th August 1902.

By Order,

~~C. SREENIVASAIENGAR,~~

Offg Secretary to Government,
General and Rev. Departments.

Points for orders

1) The authority under which a life sentence is calculated as equivalent to 18 years in the case of convicts admitted to the benefit of the date of leave rules, & to 20 years in the case of those not so admitted, has not been stated.

2) The figures entered against some of the prisoners in column 13 (period of remaining on 8 in August '02) seem to be incorrect, as shown below, but the discrepancies are practically immaterial:-

No. - Ref. No.	Name.	Figure as given.	Correct figure.

(3) The chief Judge remarks of the list of prisoners from the Bangalore Central Jail that it could not have been intended to release so many as 30 persons under sentences of transportation for life or conviction for murder. The criticism seems not to be devoid of some justification

We must see the explanation to be given by the authorities of under trial prisoners from the Jail. - C.

4) The Chief Judge says he cannot support the recommendations in favour of 1) Tallappa, as the prisoner, who committed murder and robbery, ought to have been hanged, as the murder was attended with unnecessary cruelty.

Bangalore C-T. no 3, Regr no 8/53

2) Sanjeevaiah, as "this was also a case of murder in which hanging appears to have been the proper sentence."

3) Penumaul, as "the attack was brutal; sentence 5 years, of which nearly 4 have expired."

4) Chandrashekharayya, the prisoner, who was a Nazir of the Municipal Municipal Court, was sentenced on 6 Oct 1951 to 2 years rigorous imprisonment and fine of Rs 1000 for misappropriating Rs 1000 of Municipal funds. The recommendation for special remission

5) As regards La[illegible]mi, the Chief Judge thinks it might be advisable to keep her in jail for a few years, as she was sentenced only in January last, and is spoken of as a girl addicted to theft. But the Inspector General of Prisons remarks that the girl (about 10 years old) is wanting in brain power, & probably did not realize the enormity of her crime."

This case came before us the other day, & it seemed to us felt, that it was a sad case deserving consideration (File subd.)

6) The Chief Judge approves of the release of

Narayanee#, as he was a youth of 16 or 17 when he committed the offence & has undergone more than 10 years imp^t; &

Jerrai*, as the offence was culpable homicide not amounting to murder.

A sad case — We will hear what the Bombay Govt. Counsel says. 3077/02

7) Of prisoners nos. 18, 19, 20, 21 & 22 of the Bangalore Central Jail the Dy Supdt of Chitaldrug remarks that they murdered three men deliberately, & that they have not yet undergone half the term of their sentence. They have however earned a remission of more than 2 years by their good conduct in jail. He therefore says they may be released if their case falls under clause 3 of para 4 of the G.O. memo.

They have yet a considerable period of sentence - omit - Cl

8) As regards prisoner no 32, Hanuma, the Dy Supdt of Kadur thinks that, as the sentence of hanging originally passed was reduced on appeal to five (sic) years (5 years rigorous imprisonment) & prisoner is not deserving of further concession, looking to the nature of the offence (302 I.P.C.)

There two convicts have only 5 years - There is not much in the G.O. to justify the suggestion of the Superintendent Cl

9) Prisoner Chuncha (no 37) has still to post in 4 yrs 3 m. 4 days of 5 years; but he is a lunatic (vide (2), which probably is the reason for his release.

The non commutation of a lunatic to imprisonment for life or 5 years is left to the discretion of the Govt. Beyond this I have not much to say - Cl

Agd (Sd) J. Crerar 4/12/20 Secy to Govt. Home Dept.

10) The Chief Supdt supports all the recommendations for release from the Prisons of Shimoga Jail. But as No. 7 of the Latter Jail (Abdul Khader) has since been again convicted & sentenced to six months rigorous imprisonment, & was concerned in several cases of burglary in Shimoga Town, he is ineligible for release as pointed out by the Dy Supdt of Shimoga, who recommends No. 592, Murijappa alias Kadde Basappa for release sentenced to 4 & 1/2 years for theft & who would get out in all only 4 months on the 8th proximo. The Dy Supdt of Prisons agrees. So also Supdt

11) Certain prisoners have not paid their fine. (Nos 2, 3, 4, 11 of Hosanagar Jail). The order must, in their case, state that their release will not in any way affect their liability to pay the fine imposed on them.

From the Zemindar of Maytei's letter of 12-8-02 (21 & 22 of 1902), it would appear that some prisoners were released on the 7th, instead of the 8th, August. This is, however, not stated in the consolidated list sent up by the D.C. Is it necessary now to call for an explanation?

This is a serious mistake but nothing seems to be gained by investigating it now. The matter is submitted for orders however.

in the Govt order No 2328-40
dated the ~~XXth~~ 5th August

last, which was a typed
written copy, the
date given for the release
of prisoners, was the
6th and not the 8th August 1902
Thereupon the Dy. Com
was asked to forward
the

the type written copy of the Govt order to for perusal.

The type-written copy of the Govt order of the 5th August 1922 now forwarded by the Dy. Comr., appears to be the 5th or 6th (Carbon copy struck off. at one stroke and is not very clear. Wherever the words "8th August" occur, the figure '8' appears very like '6' owing to the faint impression of the ink left on the paper. Though ~~all~~ copies made at the same stroke and so, similar to the present one, sent to the Tumkur Dy., were sent to the other Dys, no mistake appears to have been made as to the date of release. This shows that the original copy,

copy was all right
and that the mistake
which occurred in the
case of this copy appears
to be due to the faintness
of the impression on the
paper.

Six copies of the figure
'6', '8', '6th' & '8th', typed
at a single stroke
are submitted for
inspection. In the sixth
impression the figures 6 & 8 are hardly
distinguishable

Having done little
personal experience of
typescript, I may say without hesitation
that the figure in question
in the copy of the C.O. is ~~[illegible]~~ "8" and not "6".
~~Part~~ owing to the faintness
of the impression there is
room that it looks very much
like "6."

~~However~~ Apart from this, however,
a perusal of the rules,
the order, and especially
para 4 where the releases
at Mysore are directed to
be made "as soon as possible

after the completion of the Installation ceremonies, 97 should have put the Assistant Commissioner (Who made the arrangements during the D's temporary absence on his guard in the matter, even if doubts as to the correctness of his rendering of the proper date were not engendered in his mind by the fact being addressed to be effected ~~invalidity~~ of a release of prisoners two days before the event which it was intended to celebrate

21-10-21

It is an unfortunate mistake but if it had not happened, it would be hardly possible to believe that a 1st Cl. Magte like our Parsee Manswamy could not have found out the absurdity of the releases being ordered on the 6th of Augt. He might have telegraphed if he had doubts. ~~Instead~~ ~~he must think that he even a few~~ ~~Hyd~~ ~~said I take for granted you have~~ ~~doubted the correctness of the~~ ~~date~~.

It is likely that Mr. P. Iyer on reading the order as 6th which he reads in the 7th) was confounded & the order being received too late acted on the spur of the moment without thinking coolly over the matter.

This may be recorded with a remark that Govt are surprised that an offr of this status and

Experience should have committed
such a blunder, though the date
on account of its faint impression
may look at the first glance as the

As the typing of a number
of copies was done simultaneously,
only one copy was compared in the
office. This was quite justifi-
able, but to guard against such
accidental mistakes, I have
directed that in such cases, the
fairest copy shd be compared
hereafter. A draft is submitted.

GOVERNMENT OF MYSORE

Memo:- Confidential 4 (8/42)

Re Prisoners recommended to be released on 8th Proximo. I have seen the records of the cases in which the following were convicted, and cannot support the recommendation in the following cases:-

✓ No 3. Lakkappah who committed Murder and Robbery. and ought to have been hanged, as the murder was attended with unnecessary cruelty

✓ No 4. Sanjeevah - This was also a case of murder in which hanging appears to have been the proper sentence -

✓ No 31 - Permal, causing hurt, in which the "attack was brutal" Sentence 5 years of which nearly 4 have expired.

✓ No 36. Lakshmi - offence Murder - sentenced to transportation for life only in January last. The recommendation seems to be made on the ground that

is only 10 years old; but she spoken as a girl addicted to theft and murdered two boys, aged respectively 5 and 3 years, after depriving them of their silver ornaments. It seems advisable to keep her in jail for a few years at all events.

No 6 - Narayani may be released as he was a youth of 16 or 17 when he committed the offence and has undergone more than 10 years' imprisonment.

So also may No 34 Yerra who will have undergone 3 years imprisonment by 8th Instant for the offence of Culpable Homicide not amounting to murder -

I cannot support the recommendation in case No 38 - Chendra Sekariah - who was Nazir of the Principal Munsiff's Court and sentenced only on 6th October last, under Section 409 of the Code, to two years' rigorous imprisonment - for misappropriation of Government

money

6

I have not seen the records in the other cases, but do not think it could have been intended to release so many as 30 persons under sentences of transportation for life on convictions of Murders.

The recommendations for release from the Mysore and Shimoga Jails may be all of them suspended -

Sir,

Adverting to para 6 of the Government official memorandum No: 553 Mis: 93 of the 11th Instant, I have the honor to submit herewith in original extract from the list (received from the Inspector General of Prisons with his Docket No: 726—33 J. of the 25th Instant) of prisoners proposed

the murder and but for the prompt information given by him and his evidence for the prosecution the actual perpetrators of the murder would have escaped punishment. Under these circumstances I deem it inadvisable to order his prosecution.

P. N. Krishnamurti Esq. I agree to the finding and Sentence proposed by the Chief Judge. Also to the order dismissing the appeal against the decision of Channappa & Co. and the opinion that Kali appa and appellant Gurlingappa need not be tried again for any offence.

7th accused, Established beyond doubt, that it was in connection with the civil Suit instituted by the deceased Patél against 1st Respondent that murder was committed. I have no hesitation in convicting the said Respondents

2 Basalingappa
4 Balappa Irappa
5 Reda Irg
6 Munjappa
7 Nirpati Chennappa

of having murdered Patil Gurusiddappa, Gurusangappa and Bhadrappa are offences punishable under Section 302 of the Indian Penal Code.

With regard to the remaining two Respondents

Samangurusiddappa and
3. Chennappa

I am of opinion that the 1st Respondent Samangurusiddappa did actually instigate the approver to plan for the murder of the Patél, that

that as deposed by Kallappa and approver and by the Prosecution 21st and 22d witnesses, there was previous concert and design for killing the deceased Patil I also believe the evidence of Kallappa and approver that the bribe was given at the instance of 1st Respondent and on the evening of the 30th March 1892, a few hours before the commission of the murder, there was a consultation in the house of 1st Respondent and that it was in pursuance of that consultation and on account of 1st Respondent and at his instigation the approver took with him Respondents 2-4-5=6 and 7 and committed the murder. The 1st Respondent Gurusiddiah is in my opinion, guilty of abetment of murder an offence punishable under sections 109 and 302 of the Indian Penal Code -

With regard to the 3d Respondent Chennappa, there is enough of evidence to prove that he was also

also present at the Consultation referred to in the preceding para and that he also spoke to Kallappa about the Civil Suit, but, as both the approver and Kallappa say he was not present at the Scene of Murder I am disposed to give him the benefit of the doubt and to hold that there is not sufficient evidence to make him responsible as an abettor of the Murder.

Having convicted all but the 3d Respondent, I have now to consider the punishment that must be awarded. It is no doubt a matter of regret that the principal culprit, who planned the whole thing and who instigated all the Respondents in join-ing him to commit a most atrocious murder, by which three lives were lost should have been made an approver, and it is also to be regretted that the 1st Respondent, who instigated the approver to do every thing for him, was not proved to have been actually present

Present at the Scene of Murder.

In a case of brutal murder like this, I do not sentence to undergo the Extreme penalty of the law would have been the most appropriate, well deserved and Exemplary punishment but as the principal culprits, for reasons stated cannot be sentenced to death I think the next Severe Sentence should be passed - I would accordingly direct that the Respondents, viz.,

1. Samappa Siddappa convicted of abetment of Murder, Sections 109 and 302 Indian Penal Code

and

2. Basalingappa
4 Balappa Irappa
5. Bedar Isa
6 Manappi
7 Nirsanti Chennappa

convicted of murder under Section 302 of the Indian Penal Code

be Sentenced Each to be transported for life

The 3rd Respondent Chennappa will be acquitted and set at liberty

(By M^r L. Sreenivasa Iyengar) — Respondents

Appeal against the order of acquittal passed by the Sessions Judge of Nagar, in Chitaldrug Sessions Case No: 5 of 1892.

This appeal coming on for hearing on Monday, the 6th day of February 1893, the Court delivered the following:-

Judgment.

The Chief Judge:- This is an appeal by Government against the order passed by the Sessions Judge of Nagar Division, in Sessions Case No: 5 of 1892 acquitting

acquitting the Respondents of the Charge of murder and abetment of murder.

The Assistant Government Advocate was heard in support of the appeal and Mr Advocate L. Srinivasa Iyengar for all the Respondents.

The principal evidence against the Respondents is that of Kalappa, 1st witness for prosecution, which is corroborated in the main by that of the approver (2d witness for prosecution) Dodda Gurusiddappa.

The Sessions Judge refused to accept as credible the evidence of these two witnesses and differing from the Assessors, who found the Respondents guilty acquitted them. On a careful perusal of the proceedings and after giving this Case my best Consideration, I am constrained to remark that there has been a gross miscarriage of justice in the acquittal of all the Respondents and that the perpetrators of a foul murder have been let off with impunity.

The reasons given by the Sessions Judge for the acquittal of Respondents do not commend themselves to me, and I regret to observe that the Sessions Judge has disposed of this very serious Case of murder in a summary and Off handed manner.

The murder of Patel Gurusiddappa.

Gurushantappa

Gureshantappa and Bhadrappa w-
Committed on the night of 30th March 189.
at about midnight, at a short distance
from the village of Muddapur, on the
high road to Chitaldrug. The said
three persons and Kalappa were all
travelling in one cart that night.
It was Kalappa that first gave intim-
-ation of the murder to the Patel
of Muddapur early on the morning
of 31st March, within a few hours
after the Commission of the offence.
It is true that he did not then and
there give the names of the murderers,
but he was bribed by the murderers,
to keeper the matter a secret. He
therefore, abstained from revealing their
names at once. In the Patels report
the number of persons that stopped
the Cart and made the attack is
not given. It is in the Mahazar
Subsequently,—

Subsequently drawn up it is stated that Kallappa said there were 10 or 12 persons who made the attack; but he was perhaps able to recognize only the Respondents and approver but not the others. Kallappa's evidence, however, shows that there was a previous concert and combination on the part of Respondents and approver to murder the Patel Gurusiddiah. There is some corroboration of this in the evidence of prosecution 7th witness Sanna Thamma and 19th witness Sivia. The deceased Patel filed a Civil suit against the 1st Respondent Sanna Guru-Siddappa in

23

in the Chitaldrug Munsiff's Court on appeal. The Annumen of which deposition Kallappa was an absconding witness and Girish Annappa (one of the three persons murdered) was the writer. The case was partly heard and adjourned to 31st March 1892. Kallappa received summons to attend the Munsiff's court only a few days before the 31st March. He was dissuaded from going to Court and giving evidence as to the fraud; but he said that having been summoned, he was bound to attend. A bribe of Rs 100/- was offered to and accepted by him, on condition of his giving evidence unfavourable to the Patel and favourable to 1st Respondent and keeping the design to murder the Patel a perfect secret. Attempts were also made to effect a compromise with the Patel through Kallappa which failed, and it was afterwards arranged that he should go to Chitaldrug with the Patel driving his cart. That Kallappa was tampered

with

with
to give evidence favourable to
24 1st Respondent, is spoken to by
Prosecution 7th witness Sama
Chandra. It was this witness that
was employed by the 1st and 3rd
Respondents to speak to Kallappa
and to persuade him to give
evidence for 1st Respondent. The
witness also deposes to a consultation
held on the day previous to the
commission of the murder, and to the
said Respondents having openly
avowed they would kill the Patel,
as he had forged bonds to ruin
others. The 1st Respondent is a
cousin of the approver. According
to Kallappa, the bribe of Rs 1000/- was
paid by the approver. The
latter admits having made
the payment and says that he
got the money from 1st Respondent
himself. The approver and 1st
Respondent were closely related
to each other, they headed or
belonged to the faction which
was opposed to that of the
deceased Patel. Both were
acting in concert in tampering
with Kallappa and gaining
him over to their side and
this they succeeded in doing
by

by payment of the bribe of Rs. 100/-. The evidence of the Prosecution 14th, 15th, 16th and 17th witnesses shews that about the time the bribe is alleged to have been paid. Kalappa settled some his debts and left some money with his own wife. Kalappa though bribed was unwilling to join the Respondents and to take an active part in the murder of the Patel. He was assured that if he drove the Patel's Cart he would be spared. It was probably on this assurance that he went with the Patel. He also, perhaps did not anticipate that any other than the Patel would be assailed. This accounts for his having taken his relation — Badrappa with him. Kalappa says that he asked Badrappa to stay away, but that he did not mind the hunt, probably apprehending no danger to himself. At the time of attack the murders spared Kalappa as they had promised to do as he accepted the bribe and was apparently in their confidence, but in killing the Patel, they must have met with some resistance from

Gurushantappa

Gurushantappa and Bhadriah and murdered the two latter also, to avoid their identifying the murders and giving evidence against them. Kalappa had not the slightest motive to murder Gurushantappa or Badriah but he lent himself to a base Conspiracy, little expecting that the Conspiators would Carry their vile design into execution and go to the extent of murdering two other persons along with the Patel. As the only Survivor of the four persons who travelled in one and the same Cart and fearing that he would be suspected he, while informing the Patel of the murder tried to Conceal the names of the Culprits and made it appear as if the murders was Committed by some unknown robbers. But after the Police took up the Case the Secret was out, there is no doubt a discrepancy as to the number of persons who were present when the Cart was upset and the attack made but both Kalappa and the approver clearly identify

identify the Respondents 2, 4, 5, 6 and 7 as having been present and taken an active part in the murder. All these met together with Goollappa and Hanumiappa (discharged by the Magistrate) in 1st Respondent's house on the evening previous to the Commission of the offence, and I am therefore disposed to believe that they were all present at the Scene of murder. It is said that Goollappa was sent in advance to Chitaldrug on the evening previous to the murder with a medical Certificate to be produced in the Munsiff's Court to show that 1st Respondent was prevented by illness from going to Chitaldrug. It seems to me that procuring the medical Certificate was also a precaution intended to avert Suspicion against 1st Respondent. If this Goollappa was asked to take the Certificate and to go to Chitaldrug on the evening of 30th March 1892 he may have left the village with the Respondents or waited for them on the road and joined them when the attack was made. Be this as it may both the approver and Kalappa are positive as to Respondents 2, 4, 5, 6 and having

having been actually present when the murder was committed. Kalappa says that he recognized the assailants as they spoke and he knew their voices. Even though Kalappa may have been mistaken as to who all were actually present, the approver who was the prime mover in the whole affair, could not have made a mistake as to who all accompanied him and assisted him in committing the murder. I entertain no doubt whatever upon the evidence of the approver and Kalappa that the said 5 Respondents together with the approver took an active part in the murder. The discrepancy in the statement of Kalappa said to have been recorded in the Chalazar as to 11 persons having been concerned in the murder is probably attributable to the fact that the number included those who actually committed the murder as well as those ——————

at

at whose instigation it took place and who had had previous ~~an~~ altercation (a fight) with the deceased, & was therefore most disposed to do him any serious injury, to the alleged eye witnesses.

The Sessions Judge in para 18 of his Judgment refers to two discrepancies in the statements of Kalla appellant & approver as to who pulled Kalla appa out of the cart and who took the jewels (earrings) from him. Kalla appa in his examination-in-chief deposed that the assailants ~~pulled~~ pulled him out of the cart, pulled off the turmeric and began poking with spears. He added "Belgar Drappa (4th accused) struck me with a club & cried out and approver Dadda Guru Sidda said "don't beat him" and took me under his protection. When in cross examination, Kalla appa stated that the approver Dadda Guru Sidda dragged him from the cart he evidently referred to his-

3d having been charged to prevent
4th accused beating him. The
Statement made by the 7th Respondent
Virupakshi Chennappa before
the Committing Magistrate,
Explains why Kallappa was
beaten Chennappa did not know that
he was in the Cart. It was
Gurusiddappa the approver, that knew
that Kallappa was in the Cart
and that he therefore interfered
to save him, when the others were
beating the Pale and his two
companions. The prosecution
2nd witness, the approver,
deposed as follows:—

Four Bandis viz: 2d, 4th, 5th and
6th accused turned the Cart sideways
& slipped and fell down and
the others commenced beat-
ing the inmates of the Cart.
Badrappa cried out and awoke
Guru Sauda. I ran up and
upset the Cart. Kallappa
fell off and cried out. We said,
'spare him' and the whole Six
of us began to belabor the three
others. It will thus be seen

that

that Kallappa fell from the cart and while being beaten by the appellant with fists and probably dragged him aside to prevent the others beating him. This is the Kallappa probably referred to in his Statement. I see no such great discrepancy as to throw discredit on his Statement. Then as to the removal of the jewels worn by Kallappa, it will be seen on a perusal of the evidence of the approver, that it was he that instructed the others who took part in the murder to remove the jewels and clothes from the dead and others who were not asked. When the 1st witness Kallappa says that Doddaveeredappa removed his ornaments and clothes, he apparently referred to what was done by the other assistants under his orders. This is further confirmed by the Statement of Chennappa (7th Respondent) that he removed the jewels from Kallappa as directed by the approver.

From what I have

Stated

stated above, it will be seen that the alleged discrepancy between the statements of Kallia Appa and approver, which, so much stress was laid by the Sessions Judge disappears when we carefully analyse and consider the whole evidence along with the statements made by the 2nd Respondent Chennappa. It is true that Kallappa was examined Kallappa Nayakar, be regarded as an accomplice with the approver & that the evidence of both these persons must be received with caution, & there are no other witnesses to corroborate their evidence as to the commission of the murder. From the circumstances of the case and the manner in which the murder was committed it is impossible to expect any positive or direct evidence of the murder, except from Kallappa or any of the murderers and the law (Section 133 Evidence Act), therefore wisely

wisely provides that an accomplice shall be a competent witness against an accused person and a conviction is not illegal merely because it proceeds upon the uncorroborated testimony of an accomplice.

That Kallappa went with the three deceased persons viz, Patel Gurusiddappa Gurushantappa and Bhadrappa in a Cart is corroborated by the evidence of Prosecution 3rd, 4th and 5th witnesses; the dead bodies were found near the scene of murder by the 6th witness and identified clearly by the 3rd, 4th and 5th witnesses. The medical evidence and the post-mortem examination showed that the deceased were cruelly beaten and wounded and death was produced almost instantaneously by the wound. That the 3 persons named above were brutally murdered on the date and at

the

the place mentioned in the Charge, there is no doubt whatever that the Respondents 2, 4, 5, 6, and 7 were actually present at the scene of murder and assisted the approver in the Commission of murder is, to my mind, conclusively established by the evidence of Kalappa and approver, which I see no sufficient reason to disbelieve. The 6th and 7th Respondents admitted the crime before the Committing magistrate, but before the Sessions Judge, they said they were tortured and forced to do so by the Police. They failed to prove their allegation and as what they narrated before the magistrate is substantially corroborated by the evidence of the Prosecution 8th and 2d witnesses, I am inclined to believe

believe that their Confessions are true and were made voluntarily. The 2d. Respondent called one witness to prove alibi. The witness is accused's own brother and his evidence shows that the accused was in Kinbgur up to 9 P.M. on a Sunday preceding the Pogadi, i.e, on 27th March 1892 but the murder was committed on 30th March 1892 about Midnight.

The 5th Accused called his own brother-in-law Carabaswa, to prove that he slayed in his own house all night on the Pagadi day. But this witness is a resident of a different village. He says he came to Kinbgur from a gattra and slept with the 5th accused only one night and left next morning. I do not believe this uncorroborated and interested evidence. The son of the 5th Accused and the other witness Sum Rudriah say that they slept in the angala or yard of the house of 5th Accused on the night of Pogadi and that the 5th Accused also slept there that night. These two witnesses do not at all refer to Carabaswa having

slept

20 kept with them.

The other Respondents did not cite any witnesses in their defence.

There was enough of motive for the murder. The approver and 1st Respondent are cousins. They headed the faction to which all the other Respondents belonged. The deceased Patel was the head of the other faction. The Civil suit that was pending in the Munsiff's Court was against the 1st Respondent. The bond sued upon was alleged to have been forged. The deceased Patel was suspected of having forged some other bonds also. The Patel and his two Companions were waylaid and murdered on their way to Chitaldrug where they had to appear on 31st March in Connection with the hearing of the pending Civil Suit. All the circumstances of the Case proved by the evidence of Prosecution witnesses and by the admissions made by 6th and

Prisoner no: 3 Era, though undergoing sentence for murder, has by his good conduct earned in the Jail 4y. 2m. 5d. remission. The sentence of hangeing passed on Hamma Kr. on the list under section 302 of the I.P.C. was reduced on appeal to 5 years' imprisonment and I dont think he is deserving of further concession being shewn to him looking to the nature of the offence committed by him.

Read Communication from the Secretary of the Transvaal Concentration Camps Committee (37) Correspondence ending with letter No. 224 of the 7th Oct 1902 from the Secretary Bloemfontein regarding the case of a prisoner confined in the District Lock-up who released on the 7th instead of on the 8th Aug: 1902 ~~from the Concentration Camp at the Orange River Colony~~.

Order thereon.

Recorded with the remarks that the date mentioned in the type-written copy of the first Order No 2328-40 of the 5th August 1902 is the "8th" August though it was first, owing to the faintness of the impression, be mistaken at the first glance for the "6th", that, apart from this, even if doubts were entertained in his mind by the prima facie inference of a release of prisoners being ordered to be effected two days before the event which it was intended to celebrate, the Secretary who made the release could have ascertained right by a perusal of the whole of the order and in particular para 4 thereof

after telegraphing for instructions
if necessary; and that Govt
are surprised that any of
the Parliamentary Agents
Natives and Europeans should
have been led to commit
such a mistake in the matter.
